EXPERIENCE

UX Designer | CarltonOne Engagement | May 2022 – Sep 2025

- Scaled a **B2B SaaS** employee rewards platform (Shopify-style modular system) supporting **500+** enterprise clients and multiple user roles, enabling the launch of **100+** programs post-scale and contributing to **30%** revenue growth.
- Identified and removed a scalability gap and led the design of **30+** reusable recognition program templates, reducing client onboarding and program launch time by **~85%**.
- Led an **8-week AI** workshop series for both designers and non-designers across the company, cutting PoC delivery time by **~67%** and accelerating stakeholder alignment through rapid concept visualisation.
- Drove a **4-week** net-new Wallet product discovery with PM and business strategist to define requirements; completed competitive analysis across **5** fintech/e-commerce platforms and delivered a PoC in **3** days.
- Defined a UX strategy framework balancing monetization goals with user trust, securing C-suite approval and investor sign-off (Goldman Sachs).
- Audited the UI and restructured IA/user flows to create centralized info hub pages, cutting submit/track steps from **4 to 2** and improving task completion.
- Co-built a design system with Engineering, standardising components across the platform, eliminating manual redlining, and cutting feature delivery time by **~33%**.

UI Developer | Vinple | Jun – Sep 2020

- Enhanced Soft Skill Analysis feature by implementing dark mode and a responsive layout using TypeScript, HTML, and CSS to enhance readability and usability on various devices.
-

SKILLS & TOOLS

Design: User Research, Information Architecture, Usability Testing, User Survey, User Flows, Wireframing, Prototyping, WCAG Accessibility, Responsive Design, Design System, Visual Design

Tools: Figma, Make, Cursor, Claude Code, Lovable, Antigravity, Windsurf, Google AI Studio, Codex, Miro, Sketch

Build: HTML, CSS, JavaScript, jQuery

Collaboration: AI-enabled workflow optimization, workshop facilitation, hand-off documentation, ownership in ambiguity, design community engagement, mentorship
