EXPERIENCE

UX Designer CarltonOne Engagement • May 2022 – Sep 2025

Rewards & Recognition Engagement Product

- Increased CS delivery capacity to support **500+** clients and launch **1,000+** programs across **4** program types and key user roles (admins and employees), contributing to **30%** revenue growth.
- Removed a scalability bottleneck by initiating and designing **30+** reusable rewards program templates in a legacy CMS, reducing client launch time by **~85%**.

Design System for Incentive Management Program

- Audited the UI and restructured IA/user flows to create centralized info hub pages, cutting submit/track steps from **4 to 2** and improving task completion.
- Built a design system in partnership with Engineering, eliminating manual redlining, reducing handoff complexity and UI inconsistencies, and cutting feature delivery time by **~33%**.

Points & Transaction Platform (C1 Wallet)

- Drove a 4-week discovery for a net-new Wallet product; delivered a PoC design in **3** days and completed competitive analysis of 5 fintech/e-commerce platforms.
- Defined a UX strategy framework balancing monetization goals with user trust, securing C-suite approval and investor sign-off (Goldman Sachs).

Collaboration

- Led an **8-week AI workshop** series (AI trends, prompt engineering, Figma Make), reducing PoC delivery time by **~67%** and improving stakeholder alignment by visualizing concepts for faster decisions.

UI Developer Vinple • Jun – Sep 2020

Student Networking Platform

- Enhanced Soft Skill Analysis feature by implementing dark mode and a responsive layout using TypeScript, HTML, and CSS to enhance readability and usability on various devices.
